Dear Candidate

Health and Safety Certificate

Please find attached your Health and Safety test Pocket Certificate. This certificate is your proof of passing the ConstructionSkills Health and Safety test.

You should check the details on the Card to ensure that they are correct. If the details are not correct please call us within 14 days on the above telephone number and advise us of the problem.

Keep this letter in a safe place. Should you change your address please amend the above details and return it to the ConstructionSkills Data Management Unit at the address shown.

For further information on Health and Safety tests and your Pocket Certificate you can visit our website at www.cskills.org/afterthetest

Yours faithfully

Health and Safety Testing department
